CO-ED CLASSES

Marc Beech - Living the Way - room D205

Living the Way is a growing group of college and career-minded young adults from 18 to 25 years of age. We enjoy fellowship as we walk through God's Word and study its meaning and application to our everyday lives. We have honest discussions of problems we face in today's world as we learn from each other's experiences. We are always eager to see new faces, so come join us as we study His Word!

Michael Knotts & Marshall Price - MMR

Our newest co-ed young adult class (ages 25-40). We'd love to have you join us!

Jimmy Smith - LifeNChrist - room D218/219

Believing life in Christ is where real life begins as we love God, love people and serve others through our fun, yet spirit-filled small study group.

Randy Gray & Buddy Davis - Lifeline - room D212/213

Lifeline is a class of single and married adults of all ages. We are ordinary people and enjoy looking for faith-based solutions from God's Word each week as we raise our families, grow in Christ and obey The Great Commission. We really enjoy our time together and learning from each other.

Dwayne Carpenter & Mark Naron - room D203

Our class is a class of median-aged adults, with some young adults. There are both couples & singles. Our goal is to meet the needs of each other as well as the needs of those in our surrounding community to bring them to a closer relationship with Christ.

Gary Aspin - Life Values - room D207

Our class is a co-ed group dedicated to studying God's Word and applying it to our lives. It is our desire to bring more people to Christ and our study of the Gospel is focused on strengthening our testimony and the ability to share it with others.

Ray Watson & Ronnie Pierce - room D214

Our class is a co-ed class from 60-up (age is not relevant) who desire to study God's Word. Come and be a part of our class as we study God's Word together.

CO-ED CLASSES (CONT.)

Danny Wildman & Dana Sanders, Sr. - room C100

We love our small group. We think that it is important that people belong. There are three things that we want to accomplish in our small group: 1) We want to learn the Bible. You can plug into the study at any time. 2) We want to meet and make new friends. 3) We want our friends to have their needs met. We love to eat out, go to events, and spend time together.

LADIES' CLASSES

Sherry Pedersen - Pure in Heart - room D204

Ladies of any age, any stage, any status, whose goal is to desire nothing more and to accept nothing less than to be sold out and fully devoted to The Triune God of heaven and earth, to His glory. Please join us as we encourage each other to be "pure in heart for they shall see God." Matthew 5:8.

Carol Redmond - The Sonshiners - room D210

This young at heart ladies class supports each other in prayer and works to meet the needs of the community.

Hazel Waltman & Anita Smith - room C101

Are you looking for a class that studies the Word? A class that prays for each other? A class that cares for the needs of the community? This senior and young adult ladies' class supports mission projects, has an active prayer chain, and fellowships monthly. There are ladies of all ages in this class.

MEN'S CLASSES

Charles Roberts - room D206

Gentlemen of any stage of life are invited to attend this class. These men seek to find faith-based solutions so they may grow in Christ.

Let the word of Christ dwell in you richly, teaching and admonishing one another in all wisdom, singing psalms and hymns and spiritual songs, with thankfulness in your hearts to God.

Colossians 3:16
